me: yo
me: just had an hour-long conversation with Charles Johnson
me: and spoke to Juan Cole earlier this week
me: regarding the plan
me: to set up our campign
me: to destroy the media infrastructure
me: which I'll be announcing in the epilogue of my book
me: and otherwise promoting by way of my various outlets
me: as well as his
me: I imagine I can convert other prominent bloggers to the cause as well
me: not sure of the structure yet
me: perhaps as something as simple as a widget that people can put on their blog which would run the day's headline
Andrew: we should discuss it over beers
Andrew: like, at a bar
me: yes, later
me: still busy with book
Andrew: right
Andrew: deadline tonight?
me: morning
Andrew: tomorrow then
me: maybe, got backlog of things that need to be done
me: also might have meeting tomorrow with this one chick who's going to be doing stuff for us
Andrew: im sur eshed rather meet at a bar
Andrew: and you need to get out in the real world anyway
me: she needs to meet with Chris as well and this is our office
